### **Hoya Capital Housing 100 Index | June 2020 Index Review**

**Norwalk, Connecticut – May 22, 2020** – Hoya Capital Index Innovations, a leading provider of research-based real estate indexes and research, announced the results of the June 2020 semi-annual index review for the Hoya Capital Housing 100 Index. All changes will be effective as of the open on June 2, 2020 with the shares fixed as of the close of trading on May 22, 2020. These changes have been posted on the Hoya Capital Housing 100 web page on Hoya Capital’s website site at <https://www.hoyacapital.com/housing-index>.

The **Hoya Capital Housing 100™ Index** is a rules-based index composed of the 100 companies that collectively represent the performance of the US Housing Industry. The index is designed to track total annual spending on housing and housing-related services across the United States. The Index is divided into four US Housing Industry Business Segments, weighted based on their relative contribution to GDP: 1) Home Ownership and Rental Operators; 2) Home Building and Construction; 3) Home Improvement and Furnishings; 4) Home Financing, Technology & Services. By design, the Index is expected to track the companies with the potential to benefit from rising rents, appreciating home values, and a persistent housing shortage.

Citizens Financial Group, Inc (NYSE: CFG) was added to the Home Financing, Technology & Services sector in the vacancy that resulted from the December 2019 merger between SunTrust Bank (NYSE: STI) and BB&T Bank (NYSE: BBT), a merger of equals that resulted in the formation of Truist Financial (NYSE: TFC), which continues to be a Hoya Capital Housing 100 Index component in the Home Financing, Technology & Services sector.

Citizens Financial Group, Inc. is one of the nation’s oldest and largest financial institutions, with \$176.7 billion in assets as of March 31, 2020. Headquartered in Providence, Rhode Island, Citizens offers a broad range of retail and commercial banking products and services and operates with a Business Mix that is relatively heavily weighted towards Consumer Loans, specifically mortgage loans and home equity products.
